[[Gemechu Jima Portfolio](#)]

Subject: Application Letter

Dear Hiring Manager,

I am writing to express my interest in the Software Developer position at your esteemed organization, as advertised. My name is Gemechu Jima Ayane, and I recently graduated from Mizan Tepi University with a BSc Degree in Computer Science, achieving a CGPA of 3.68 in September 2021.

My one-year experience as an Enrollment Officer at the National ID Program, coupled with my role as a System Software Developer at INSA, has equipped me with the technical skills necessary for this role. I specialize in web development using HTML, CSS, JavaScript, and frameworks like ReactJS, Tailwind CSS, Bootstrap, with proficiency in NodeJS and Express for backend development.

Enclosed with this letter is my CV, providing detailed information about my educational background and professional experience. I am confident in my ability to provide excellent software development and contribute effectively to your organization.

Thank you for considering my application. I am available for an interview at your earliest convenience. Please feel free to contact me at +251930851744 or gemechujimacs@gmail.com. You can also visit my portfolio at <https://gemechu.netlify.app/>.

Best regards,

Gemechu Jima Ayane

TO WHOM SO EVER IT MAY CONCERN

It gives me immense pleasure to write a letter of recommendation for **Mr. Gemechu Jima Ayane** who is a graduate from the Department of Computer Science, School of Computing and Informatics, Mizan Tepi University.

I have come to know **Mr. Gemechu Jima Ayane**, in the opportunity as an Assistant Professor in the Department of Computer Science in this Institution. During this period, he has proved to be one of the most efficient and highly committed students of his batch.

The graduate has taken in his major area, a number of courses aided with practical and laboratory sessions where he has managed to develop remarkable skills and knowledge that makes him capable of performing various tasks which requires for an expertise in the areas of Computer Science and IT.

Moreover, he has shown a high standard of professionalism in the dealings during his stay in the university; he has been very decent, well-mannered, and diligent young men who get along well with his peers, friends and other students.

Hence I would like, hereby, to recommend **Mr. Gemechu Jima Ayane**, for any post in a business organization that requires expertise in the areas of Computer Science & IT.

The favorable consideration made to the said graduate in this regard is highly appreciated.

With Many Thanks and Regards,

Dr. Khalid Kaleem Mohammed

Subject: Recommendation Letter

It gives me a great pleasure as a Lecturer of the Department of Computer Science to write this recommendation letter for **Gemechu Jima Ayane**. I have known him, for the last four years as a student of **BSc in Computer Science**.

I have given Fundamentals of Database Systems, Data Communication and Networking and other computer Science courses to their class and he has achieved very good grade. He has acquired necessary theoretical and laboratory skills.

Mr. **Gemechu Jima Ayane** is an amiable and well-mannered student who works harmoniously in a team. He is always finding ways to develop his skills and improve at his study. He has a knowledge of computer programming, computer networking, web development, and different helpful skills in the area of computer science. In addition to this, he has a knowledge of computer software, hardware systems, excellent diagnostic skill, and high-level communication abilities. He is well-versed in responding to queries, resolving computer hardware and software problems, and implementing effective solution. He has a very good IT skill or basic computer-based program knowledge or skill such as Microsoft Office competence, Spreadsheet and databases, PowerPoint, Access, QuickBooks, Photoshop, email, web and social media, Data Analytics, word processing (Microsoft office, Publisher), IT troubleshooting (backup management, diagnostics, Tech support). He is helpful and maintains good relations with the Instructors and his friends.

I have found him to be a student of good aptitude, impressed by his social discipline, soft spoken nature and confident oratory ability, I strongly recommend him, and I am sure that competitive environment will bring out the best in him and help him to live up to your expectations.

With Best Regards!

To Whom It May Concern

Mr. Gemechu Jima Ayane has been my student at Mizan-Tepi University, in Computer Science department while he was studying his BSc degree. I had many opportunities to observe the great talent, capacity and enthusiasm in identifying problems and generating solutions when I courses. As a head and an advisor, I know **Gemechu Jima** has high team work sprit and good behavior played an important role for his success in his endeavors. He is duty minded and has great devotion for his duties. I believe that his excellence, strong scholastic ability and hardworking personality would make his absolutely fit the criteria of any University/Institution to join the graduate program in computer science or in any field related to his field of study.

Therefore, I can say without a slight reservation, he will be successful in his graduate study program, if he has given the chance to join your University/Institution in any field of computing. And I am very grateful in anticipation for any considerations rendered to **Mr. Gemechu Jima**.
